## Artist Harlan Hubbard

- Harlan collected branches to make frames around his paintings.

- Harlan was born in Bellevue, Kentucky in 1900.
- He created paintings and prints of his neighborhood, home, and his animals, especially the goats and dogs.
- He also really liked the river. He built a shanty boat and lived on it for five years floating down the river!
- Then he built a cabin along the river by Payne Hollow. He didn't even have running water inside!

- ◆ What do you see when you look around your neighborhood?
- ◆ Do you have a pet you like to draw? Can you see the river?
- ◆ In the space below, draw a picture like Harlan Hubbard. If you can, color it. Can you find sticks to glue around it on the printed ones?
